It is to you, Sister Aurelia, that we dedicate our Memory Book, in recognition and admiration of your devoted work on our behalf. We hope that this visible sign of our appreciation will indicate our intentions to fulfill the ideals that your work has inspired in us during our four years at Rosary. We do not intend to relegate these ideals to memory, but to actuate them in our future lives.

As President of Rosary you have guided us, directed our endeavors and unconsciously filled each of us with an admiration of your work for us. Therefore, we dedicate this Memory Book to you who will forever remain in our minds and prayers.

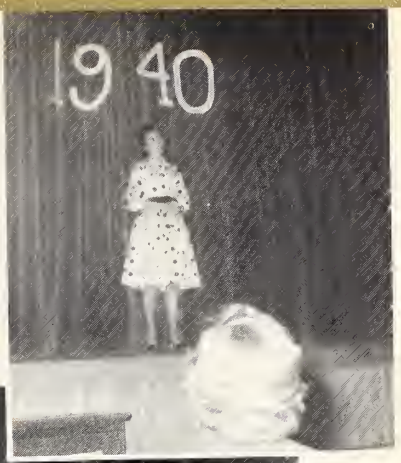
Life At Rosary

Recreation ...

Prayer ...

Study ...

Halloween, 1958



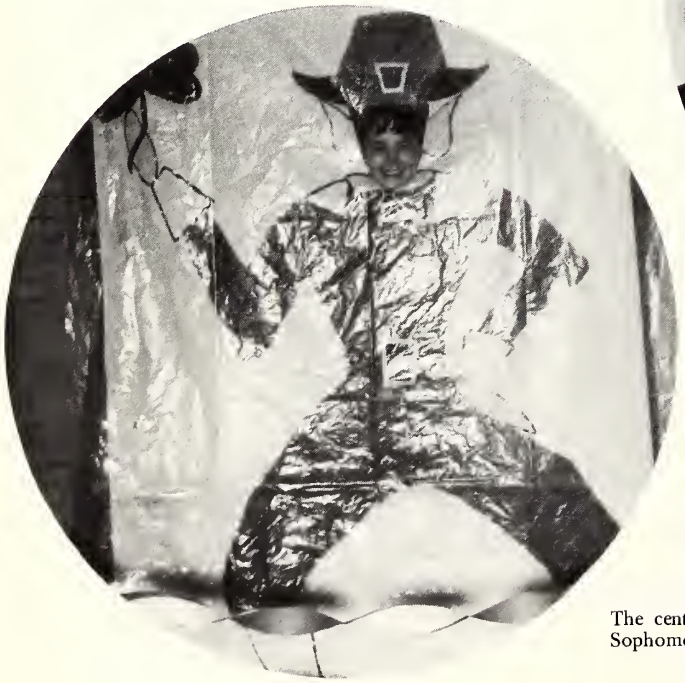
Off to a good start with the Freshman Variety Show ... spirit, cooperation, and TALENT combine to make "the biggest hit of the year."

Our class does it again with "Sophomore Shenanigans."

The Sophomores begin to display their dramatic ability in the spring production of *Goodby, My Fancy*.

The ball players replenish the energy lost during the faculty-student games—College Day, 1960.

The faces express an enjoyable evening at the Sophomore dinner.



The center of attraction at Mardi Gras, 1960, was the Sophomore booth with our "Irish" friends as targets.

During our Junior year, the Rosary College Players' presentations of *Man in a Dog Suit* and *High Ground,* were applauded by an appreciative audience.

Huntley and Brinkley were amusing in their election night report to these three late viewers.

Switzerland was home to many Rosary girls as they studied at the University of Fribourg and traveled throughout Europe.

At last we achieve the status symbol of our final year at Rosary— a seat in the Senior Smoker.

Relaxing for a moment in the smoker are the Class officers. *Seated:* Marilyn Smith, Lynne Sebastian. *Standing:* Phyllis Brandoin, Corinne Carnivels.

Halloween, 1961.

Seniors experience mixed feelings as they celebrate their last Christmas at Rosary.

Father Kroeger and Father West pause briefly following convocation on the Feast of St. Thomas Aquinas.

The Sound of Music cast visits Rosary, February 20, 1962. *Left to right:* Miss Jane Rose *(Housekeeper),* Mr Jack Collins *(Max Detweiler),* Miss Beatrice Krebs *(Mother Abbess),* Sister Gregory, Miss Florence Henderson *(Maria),* Miss Lynn Brinkel *(Elsa Schroeder),* Miss Imelda DeMartin *(Liesel),* Mr. Peter vonHattum *(Rolf Gruber).*

The Grill is the place to release tension, especially after May Finals!

The Class of Nineteen Sixty-Two

As we, the Rosary College graduating class of nineteen sixty-two inscribe herein our memories, we must omit those many intangibles of the sort that cannot be included in the mere pages of a book—and these, perhaps, are the memories that will remain with us for the longest time. We have spent our four years wisely—and each to a greater or lesser extent—with sincere aspirations that we might carry with us throughout life the ideals and principles that mold the spirit of Rosary.

Of course, we have our lighter memories—those of our entertainment and fun. Add to these memorable events the hours spent in study, term papers, experiments in science, anxiety over tests—and their results and we have a sketchy picture of our college years. But, then, there is that pervading spirit that permeated every day of our student lives, every activity we engaged in, every friendship we made, and every desire for which we sought fulfillment—that is, add to the study, the fun, the friendships, the pervading ideals of our Catholic Faith that our college has nourished and imbued in us, and this, perhaps, is a somewhat fuller picture of what our college years held for us.

We cannot forget our beloved faculty and classmates, our beloved college—it has become so essential a part of us that it will forever endure throughout our lives.

In Memoriam

God has seen fit to take Dodie from us suddenly. Her physical presence is gone, but her spiritual presence remains with us. Her charity has been a constant reminder of our membership in the Mystical Body; her patience has taught us that all things are passing; and her humility has shown us that the meek shall be exalted.

"No trial, then, can isolate us, no sorrow can cut us off from the Communion of Saints. The heavenly world hangs serenely overhead; only a thin veil floats between. All whom we loved and who loved us are ever near, because ever in His presence, in Whom we live and dwell."
